### What the Course Covers

This course covers:

- Fire safety legislation
- The danger from Fire
- The use of fire extinguishers
- Fire safety in offices, supported housing and day centres

There are other courses available on the site

- Firstly, I really like the style of this, well done
- I found it easy to use and informative
- Very well explained
- The course was engaging and enabled me to absorb the information well. I liked how it is tailored, making it very relevant
- I like the training format, allowed me to go at my own pace and found the test at the end relevant and rewarding; knowing I retained the info and got questions right
- Thank you for this course it was very interesting, I enjoyed doing it. Many thanks
- I have learned a lot. Easy to understand and nicely laid out. The information was easily accessed and interesting.
- I thought the course length was appropriate I found this very helpful not too long & to the point, it was clear to read. I have dyslexia and found it not too difficult as no time restriction
- Really excellent and easy to follow. Concentrated on the critical elements of fire safety
